The New York Times bestseller from the author of *Watchmen* and *V for Vendetta* finally appears in a one-volume paperback. Begging comparisons to Tolstoy and Joyce, this “magnificent, sprawling cosmic epic” (*Guardian*) by Alan Moore—the genre-defying, “groundbreaking, hairy genius of our generation” (NPR)—takes its place among the most notable works of contemporary English literature. In decaying Northampton, eternity loiters between housing projects. Among saints, kings, prostitutes, and derelicts, a timeline unravels: second-century fiends wait in urine-scented stairwells, delinquent specters undermine a century with tunnels, and in upstairs parlors, laborers with golden blood reduce fate to a snooker tournament. Through the labyrinthine streets and pages of Jerusalem tread ghosts singing hymns of wealth and poverty. They celebrate the English language, challenge mortality post-Einstein, and insist upon their slum as Blake’s eternal holy city in “Moore’s apotheosis, a fourth-dimensional symphony” (*Entertainment Weekly*). This “brilliant . . . monumentally ambitious” tale from the gutter is “a massive literary achievement for our time—and maybe for all times simultaneously” (*Washington Post*). In the small coastal town of Hubbard, Oregon, your man may let you down, your boss may let you down, life may let you down . . . but your best friend never will. Welcome to Hubbard, where Petie Coolbaugh and Rose Bundy have been best friends since childhood. Now in their early thirties, both are grappling to come to terms with their age and station in life. As they struggle to make ends meet and provide for their children and the good-hearted but unreliable men in their lives, they take jobs cooking for a brand-new upscale restaurant, Souperior's Cafe, starting from scratch every morning to produce gallons of fresh soup from local recipes. The proprietors of the cafe, Nadine and Gordon, are fraternal twins from Los Angeles with adjustments of their own to make, but Rose’s warmth and the quality of the women’s soups quickly make them indispensable despite Petie’s abrupt manner and prickly ways. The strains of daily life are never far, however, and the past takes its toll on the women. Petie’s childhood as the daughter of the town drunk—a subject she won’t talk about—keeps her at a distance from even her best friend, until an unexpected romance threatens to crack her tough exterior. And despite Rose’s loving personality, the only man in her life is a loner fisherman who spends only a few months of the year in town. In this fishing village, friends are for life and love comes in the most unexpected ways. As the novel draws together lovers, husbands, employers, friends, and family, each woman finds possibilities for love and even grace that she had never imagined. A NATIONAL BOOK AWARD FINALIST “Brilliant, honest, and equal parts heartbreaking and soul-healing.” --Laurie Halse Anderson, author of *SHOUT* “A singular voice in the world of literature.” --Jason Reynolds, author of *Long Way Down* A powerful coming-of-age story about grief, guilt, and the risks a Filipino-American teenager takes to uncover the truth about his cousin's murder. Jay Reguero plans to spend the last semester of his senior year playing video games before heading to the University of Michigan in the fall. But when he discovers that his Filipino cousin Jun was murdered as part of President Duterte's war on drugs, and no one in the family wants to talk about what happened, Jay travels to the Philippines to find out the real story. Hoping to uncover more about Jun and the events that led to his death, Jay is forced to reckon with the many sides of his cousin before he can face the whole horrible truth -- and the part he played in it. As gripping as it is lyrical, *Patron Saints of Nothing* is a page-turning portrayal of the struggle to reconcile faith, family, and immigrant identity. Luke F**k being good. I won't be tamed. There are three things in life I'm damn good at: f**king, jumping out of planes, and chasing forest fires. Settle down? With someone like Autumn Mayburn? Forget it. She's uptight, smart-mouthed, and hell, she has a kid. She's ten years older than me. There are a million reasons I shouldn't touch her. F**k all of those reasons. The single mama with the smokin' hot body and the sass to match is going to be mine. Autumn I hate bad boys. Especially infuriatingly cocky, womanizing, ooze-sex-from-every-pore bad boys. I'm a mom. A businesswoman. I have responsibilities. The last thing I need is to get played by Luke Saint. He thinks that just because he saved my orchard from a fire, he can tell me how to run it. He thinks he knows what I need, what I crave. The problem is, I think he might be right. The pew edition of the prayer book of the Anglican Church of Canada. Includes: the Divine Office; Baptism and Reconciliation; the Holy Eucharist; the Proper of the Church Year; Pastoral Offices; Episcopal Offices; Parish Thanksgiving and Prayers; the Psalter; and Music. (ABC). Written about the year 400. [Faustus was undoubtedly the acutest, most determined and most

unscrupulous opponent of orthodox Christianity in the age of Augustin. The occasion of Augustin's great writing against him was the publication of Faustus' attack on the Old Testament Scriptures, and on the New Testament so far as it was at variance with Manichæan error. Faustus seems to have followed in the footsteps of Adimantus, against whom Augustin had written some years before, but to have gone considerably beyond Adimantus in the recklessness of his statements. The incarnation of Christ, involving his birth from a woman, is one of the main points of attack. He makes the variations in the genealogical records of the Gospels a ground for rejecting the whole as spurious. He supposed the Gospels, in their present form, to be not the works of the Apostles, but rather of later Judaizing falsifiers. The entire Old Testament system he treats with the utmost contempt, blaspheming the Patriarchs, Moses, the Prophets, etc., on the ground of their private lives and their teachings. Most of the objections to the morality of the Old Testament that are now current were already familiarly used in the time of Augustin. Augustin's answers are only partially satisfactory, owing to his imperfect view of the relation of the old dispensation to the new; but in the age in which they were written they were doubtless very effective. The writing is interesting from the point of view of Biblical criticism, as well as from that of polemics against Manichæism.--A.H.N.]

The Basilica of the Sacred Heart at the University of Notre Dame contains one of the largest collections of late nineteenth-century French stained glass outside of France. The French Gothic-inspired church has forty-four large stained glass windows containing two hundred and twenty scenes. Today, more than 100,000 visitors tour the basilica each year to admire its architecture or participate in the beautiful liturgies. Honoring both the Sacred Heart and the Virgin Mary, the vibrant windows have, for more than a century, drawn visitors and worshippers alike into a conversation with the art and faith found in the windows. This informative and conveniently sized guidebook tells the unique story of the windows: the improbable creation of a glassworks by cloistered Carmelite nuns in LeMans, France, and their stained glass that so perfectly illuminated the late nineteenth-century French Catholic spirituality of the Congregation of Holy Cross, who established the University of Notre Dame. The words of Father Edward Sorin, CSC, founder of the university, are featured throughout the text. He saw the basilica and its windows as an avenue for teaching this spirituality. The book describes the windows according to their location in the building, from the narthex at the entrance to the Lady Chapel behind the altar. Full-color photographs provide a detailed view of the scenes found in each window. These photos are accompanied by informed commentary on the historical and theological importance of the windows, the iconography of featured saints, and how they illuminate the work of the Holy Cross to educate both mind and spirit. *Stories in Light* is an easy-to-read book written for all who visit the basilica, including faculty, students, alumni, and friends and family of Notre Dame, and for readers everywhere who want to know more about the rich history and heritage of the Basilica of the Sacred Heart's stained glass.

From the award-winning author of "Liars and Saints" comes a riveting sequel of love, sex, secrets, guilt, and forgiveness, which follows the fascinating Santerre clan to Argentina. A bestselling, riveting literary delight for fans of *All the Light We Cannot See* and *The Nightingale*: an historical novel that is at once an epic love story and a heart-pounding journey across WWI-era Russia, following an ambitious young doctor and her scientist brother in a race against Einstein to solve one of the greatest mysteries of the universe. In Russia, in the summer of 1914, as war with Germany looms and the Czar's army tightens its grip on the local Jewish community, Miri Abramov and her brilliant physicist brother, Vanya, are facing an impossible decision. Since their parents drowned fleeing to America, Miri and Vanya have been raised by their babushka, a famous matchmaker who has taught them to protect themselves at all costs: to fight, to kill if necessary, and always to have an escape plan. But now, with fierce, headstrong Miri on the verge of becoming one of Russia's only female surgeons, and Vanya hoping to solve the final puzzles of Einstein's elusive theory of relativity, can they bear to leave the homeland that has given them so much? Before they have time to make their choice, war is declared and Vanya goes missing, along with Miri's fiancé. Miri braves the firing squad to go looking for them both. As the eclipse that will change history darkens skies across Russia, not only the safety of Miri's own family but the future of science itself hangs in the balance. Grounded in real history -- and inspired by the solar eclipse of 1914 -- *A Bend in the Stars* offers a heartstopping account of modern science's greatest race amidst the chaos of World War I, and a love story as epic as the railways crossing Russia. Provides information on the entire text of the hymns and functions for the hymnal. He stole my first kiss... and now he thinks everything else is his. Gemma said no to the one person no one at this school dares to refuse. Now I'm targeted by jealous girls, guys that compete to be the first to "break the prude", and by him. After one kiss, the king of the school hunts me down like I'm a conquest to win. He'll have to fight harder than that, because I'm no one's trophy. They all want a piece of me, but I will not bend or break for them. No one refuses the king. Lucas One case of mistaken identity and a hasty kiss turned my world upside down. The new girl refused me. Not only that, she threw down the gauntlet. That won't stand. No one ever says no to me. This school is mine and she'll learn her place as a loyal follower or her life is going up in flames. I'll make her say yes. She'll be screaming it before I'm finished breaking her. Warning: *Wicked Saint* is a dark new adult high school bully romance intended for readers 18+. This book is part of a series but can be enjoyed as a standalone. This mature new adult romance contains crude language, dubious situations, and detailed intense sexual/violent content that some readers might find triggering or offensive. Please proceed with caution. Learn the most common scales and modes used on the major diatonic harmonica. the intention behind these extensive exercises is to develop agility and speed on the instrument. Single-note patterns are introduced without bends. After mastering these exercises the lesson then progresses to patterns with bends. If you want to optimize your performance on the harmonica, this is a must-have addition to your library! Written in standard notation with harmonica tablature. View the *Harmonica Masterclass Series* outline

In 1968 two young Vietnamese sisters flee to Saigon after their village on the Mekong River is attacked by American forces and burned to the ground. The only survivors of the brutal massacre that killed their family, the sisters struggle to survive but become estranged, separated by sharply different choices and ideologies. Mai ekes out a living as a GI bar girl in Saigon but Tãm's anger festers, and she heads into jungle terrain to fight with the Viet Cong. For nearly ten years, neither sister knows if the other is alive. Do they both survive the war? And if they do, can they mend their fractured relationship? Or are the wounds from

their journeys too deep to heal? In a stunning departure from her two series of crime thrillers, Libby Fischer Hellmann delves into a universal story about survival, family, and the consequences of war. Beautiful and inspiring book about the angels, full of stories from the Saints. Gives their nature and role, the need for devotion to them and their relationship to the Blessed Virgin Mary. Many prayers to the angels. Written to be read daily during September, the month of the Angels. In the latest addition to the Ancient Christian Texts series, David Maxwell renders a service to students of patristics and New Testament studies alike. The first complete English translation of Cyril of Alexandria's Commentary on John since the nineteenth century, this volume unveils one of the brightest lights in the Alexandrian tradition. In 1820, a young farm boy in search of truth has a vision of God the Father and Jesus Christ. Three years later, an angel guides him to an ancient record buried in a hill near his home. With God's help, he translates the record and organizes the Savior's church in the latter days. Soon others join him, accepting the invitation to become Saints through the Atonement of Jesus Christ. But opposition and violence follow those who defy old traditions to embrace restored truths. The women and men who join the church must choose whether or not they will stay true to their covenants, establish Zion, and proclaim the gospel to a troubled world. The Standard of Truth is the first book in Saints, a new, four-volume narrative history of The Church of Jesus Christ of Latter-day Saints. Fast-paced, meticulously researched, Saints recounts true stories of Latter-day Saints across the globe and answers the Lord's call to write history "for the good of the church, and for the rising generations" (Doctrine and Covenants 69:8). With refreshing determination and hopeful grit, humanity activates a bold endgame against an alien invasion in the finale of a series heralded as "a modern classic" (Stephen Baxter) from "one of the finest writers the genre has produced" (Gareth L. Powell). Humanity is struggling to hold out against a hostile takeover by an alien race that claims to be on a religious mission to bring all sentient life to its God at the End of Time. But while billions of cocooned humans fill the holds of the Olyix's deadly arkships, humankind is playing an even longer game than the aliens may have anticipated. From an ultra-secret spy mission to one of the grandest battles ever seen, no strategy is off the table. Will a plan millennia in the making finally be enough to defeat this seemingly unstoppable enemy? And what secrets are the Olyix truly hiding in their most zealously protected stronghold? With his trademark optimism about humanity's tenacity and capacity for greatness, Peter F. Hamilton wraps up this brilliant saga with a bang—and reminds us why freedom of choice is the most important freedom there is. MAISYThe boy I knew is gone.Rule follower. Straight laced. Goody-goody.I'm as well-behaved as they get, but then the worst thing ever happened to me?I caught the interest of the bad boy. Wilder isn't the same guy I idolized when we were kids. He made that clear the day he moved back to Ridgeview.He hunts me, stalks me, surrounds me from all sides. I'm his new favorite plaything. Again. Last year was bad enough, but as graduation looms his claws are in me once more and he refuses to let go.And worst of all? I think I like it.FOXThe Wilder name is a curse.Pristine. Perfect. Fake.Once upon a time we were friends. Then her family destroyed mine. In return, I'll destroy hers.I'm the resident black shadow this town fears. Whispers about. Everyone remembers that a Wilder means bad news. My sweet daisy should fear me because she's the key piece in my revenge plot against her crooked parents.I'm not her friend anymore.I'll take them all down, starting with her. Girls Saint for Little Ones includes twelve inspiring saints, complete with a short biography and quote. Filled with vibrant illustrations and a simple text, this book is meant to inspire young girls to deepen their Catholic Faith. In addition, each illustration includes an explanation of a special symbol found in the painting, introducing children to enriching Catholic art. Your child will be excited to follow in the footsteps of these beautiful saints. Most saints began as children, as all humans do. Martin de Porres' white father abandoned him; Dymphna fled an incestuous father. Rosa de Lima threw her mother into despair. Brendan built a boat from leather and butter; Francis of Assisi talked to animals. Teresa de Avila wielded a wry sense of humor, and Catherine of Alexandria argued fifty master philosophers into cowering silence. A few, though, did not know childhood or death. Archangel Michael's name was a battle cry; shining Gabriel calmed the terrified before delivering his messages. Desperate for the powers associated with Librada (relief from bad husbands and boyfriends) and Expeditus (exceedingly swift help), people conjured these saints from relic and desire. Catherine Ferguson and Lisa Sandlin have combined their exceptional talents to create a beautiful book of retablo paintings of saints, accompanied by biographies that draw on ancient sources, poetry, and literature. You Who Make The Sky Bend relates the saints to stages of the human condition, thus placing them into the wheel of life. For they touch lives. The saints remain on call, as if their form is a kind of ethereal transmitter tube lit by their filament souls. Many people talk to them, daily, weekly, or on the unforeseen morning when misfortune pushes past their threshold. And many people believe they are heard-by the saint, their better selves, their own hearts. Tempest Call me Robin Hood. I'm a grifter. A con artist. I don't just steal from the rich. I take from the worst of the worst, the people who deserve to be hustled. I have two rules - keep moving and never fall in love. I only ever thought about breaking them for one boy. And that boy just walked right back into my life, a ghost from the past. Silas Saint. Now he's a man. Arrogant and sexy as f**k, he's sure as hell not the person I fell in love with, a lifetime ago. But when he touches me, it's enough to make me forget my own name. He makes me want to break all my rules. Silas I've been fighting as long as I could remember. Sh**, I think I came out of the womb swinging. I even tried to go legit until trouble sent me out of Las Vegas and back to West Bend. I never expected a different kind of trouble to come waltzing back into my life, all curves and tattoos and sass. Tempest Wilde. Any idea what "tempest" means? A violent f**cking windstorm. That's s**t I don't need. I loved her once, a lifetime ago. Before I knew better. Love is for suckers, and I'm sure as hell not a sucker. But the way she looks at me? It makes me want to give her everything I have. "Karol Wojty'a, Pope John Paul II, was a man whose life was the expression of a richly textured and multidimensional soul. The many layers of that soul took on their first, mature form in Kraków." – George Weigel In this beautifully illustrated spiritual travelogue, New York Times bestselling author George Weigel leads readers through the historic streets of Kraków, Poland, introducing one of the world's great cities through the life of one of the most influential Catholic leaders of all time. "To follow Karol Wojty'a through Kraków is to follow an itinerary of sanctity while learning the story of a city." Weigel writes. "Thus, in what follows, the story of Karol Wojty'a, St. John Paul II, and the story of Kraków are

interwoven in a chronological pilgrimage through the life of a saint that reveals, at the same time, the dramatic history and majestic culture of a city where a boy grew into a man, priest, a bishop—and an apostle to the world.” With stunning photographs by Stephen Weigel and notes on the city’s remarkable fabric by Carrie Gress, *City of Saints* offers an in-depth look at a man and a city that made an indelible impression on the life and thought of the Catholic Church and the 21st century world.

Origen’s *On First Principles* is a foundational work in the development of Christian thought and doctrine: it is the first attempt in history at a systematic Christian theology. For over a decade it has been out of print with only expensive used copies available; now it is available at an affordable price and in a more accessible format. *On First Principles* is the most important surviving text written by third-century Church father, Origen. Origen wrote in a time when fundamental doctrines had not yet been fully articulated by the Church, and contributed to the very formation of Christianity. Readers see Origen grappling with the mysteries of salvation and brainstorming how they can be understood. This edition presents G. W. Butterworth’s trusted translation in a new, more readable format, retains the introduction by Henri de Lubac, and includes a new foreword by John C. Cavadini. As St. Gregory of Nazianzus, Doctor of the Church, wrote: “Origen is the stone on which all of us were sharpened.”

They say that life is a beautiful lie and death a painful truth. They're right. No one has ever made me feel more alive than the guy who serves as a constant reminder that my clock is ticking. He is my forbidden, shiny apple. The striking fallacy to my blunt, raw, truth. He is also my sister's ex-boyfriend. One thing you should know before you judge me; I saw him first. I craved him first. I loved him first. Eleven years later, he waltzes into my life, demanding a second chance. Dean Cole wants to be my bronze horseman. But my clock is ticking. See, I'm not like the rest. I have an illness. Sometimes I conquer it. Sometimes it conquers me. My white knight has finally arrived. Hopefully, he isn't too late. Through this delightful, heartfelt collection of prayers for kids, children learn how easy it is to pray every day. *Loyola Kids Book of Everyday Prayers* by Catherine Odell and Margaret Savitskas is thematically divided into nine chapters, offering prayers for all occasions and seasons of the year. From the Hail Mary to the Breastplate of St. Patrick to a little boy's prayer for his new baby sister, these prayers for kids will help children grow in their faith. Ages 8 to 12.

The Girl with the Dragon Tattoo meets *Gone Girl* in this enthralling murder mystery set in Kenya. In the shadows of Sangu City, there lives a girl who doesn't exist. After fleeing the Congo as refugees, Tina and her mother arrived in Kenya looking for the chance to build a new life and home. Her mother quickly found work as a maid for a prominent family, headed by Roland Greyhill, one of the city’s most respected business leaders. But Tina soon learns that the Greyhill fortune was made from a life of corruption and crime. So when her mother is found shot to death in Mr. Greyhill's personal study, she knows exactly who’s behind it. With revenge always on her mind, Tina spends the next four years surviving on the streets alone, working as a master thief for the Goondas, Sangu City’s local gang. It’s a job for the Goondas that finally brings Tina back to the Greyhill estate, giving her the chance for vengeance she’s been waiting for. But as soon as she steps inside the lavish home, she’s overtaken by the pain of old wounds and the pull of past friendships, setting into motion a dangerous cascade of events that could, at any moment, cost Tina her life. But finally uncovering the incredible truth about who killed her mother—and why—keeps her holding on in this fast-paced nail-biting thriller.

White picket fence and a family...with that man? Yeah, right. Lily Killian Saint is wild and untamed, gruff and solitary, an arrogant loner from a family that people in West Bend say is no good. I should know better. A man like Killian should have no part of my life, not with a kid to raise and a bakery to run. Not even if the way his hands feel, rough against my skin, sets every part of my body on fire. Not even if the dirty things he whispers into my ear leave me so on edge I can't think about anything but his lips on mine. Everything about Killian is wrong. The problem is, nothing has ever felt so right. Killian In life, I make my own rules. Rule #1? No wife and definitely no kids. A woman like Lily Grant? Hell, no. She talks too much and has too many damn opinions. And that kid of hers might be more of a smart-mouth than she is. I should walk away. But once I taste her sweet lips, I want to possess every inch of her. This woman is mine - even if she doesn't know it.

Protestants call it idolatry and modernists see it as superstition, but in these lucid pages, Orestes Brownson shows that veneration of Mary and the saints is not merely permissible; it's essential for every Christian who yearns to worship God in spirit and in truth. Let the saints inspire you to intercede for the holy souls in purgatory! Throughout the ages the devotions, prayers, and practices of the Communion of Saints have been offered up on behalf of souls in purgatory, the "Church Suffering." The saints' ardent desire to intercede for the holy souls impelled them to pray ceaselessly for their eternal rest. This inspiring book shows how you can join the saints in this act of divine charity, thereby attaining spiritual gifts for acts done for the souls that cry out to us for relief. "Over the years, Susan Tassone has been tirelessly writing and teaching about this revered tradition of praying for the Holy Souls in Purgatory. Her meticulous research and attention to both historical and spiritual detail has helped many to understand more deeply the value of this singular devotion and selfless way of prayer. She has brought a whole new dimension to this devotion, seeing it through the spiritual writings and traditions of saints throughout the centuries." -- Cardinal Ivan Dias

What do Buffalo Bill, John F. Kennedy, Ponce de Leon, Dorothy Day, Andy Warhol, and Al Capone have in common? They're all Catholics who have shaped America. In this page-a-day history, 365 entries offer inspiring stories celebrating the Catholic American experience. From famous figures to ordinary people, *The American Catholic Almanac* tells the facinating, funny, uplifting, and unlikely tales of Catholics' influence on American culture and politics. Spanning the scope of the Revolutionary War to Tom and Jerry cartoons to Notre Dame football, this unique devotional will appeal to anyone curious about how the Catholic faith has intersected with public life over the last three hundred years in America. A richly textured novel tells a story of sex and longing, love and loss, and of the deceit that can lie at the heart of family relationships. “Each chapter...has the seductive aura of a finely crafted story. *Liars and Saints* is instructive and bittersweet and yet somehow never nostalgic” (Los Angeles Times). Set in California, *Liars and Saints* follows four generations of the Catholic Santerre family from World War II to the present. In a family driven as much by jealousy and propriety as by love, an unspoken tradition of deceit is passed from generation to generation. When tragedy shatters their precarious domestic lives, it takes astonishing courage and compassion to bring them back together. By turns funny and disturbing, irreverent and

profound, *Liars and Saints* is a masterful display of Maile Meloy's prodigious gifts and of her penetrating insight into an extraordinary American family and into the nature of human love. "Meloy may be the first great American realist of the twenty-first century: The Santerres aren't real but they feel like they are, and the reader will not soon forget them" (*The Boston Globe*). Highlights the life and accomplishments of the New Orleans Saints quarterback and describes how he led his team to victory in the 2010 Super Bowl. From Jeff VanderMeer, the author of *Borne* and *Annihilation*, comes the paperback reissue of his cult classic *City of Saints and Madmen*. In this reinvention of the literature of the fantastic, you hold in your hands an invitation to a place unlike any you've ever visited—an invitation delivered by one of our most audacious and astonishing literary magicians. *City of elegance and squalor. Of religious fervor and wanton lusts. And everywhere, on the walls of courtyards and churches, an incandescent fungus of mysterious and ominous origin. In Ambergris, a would-be suitor discovers that a sunlit street can become a killing ground in the blink of an eye. An artist receives an invitation to a beheading—and finds himself enchanted. And a patient in a mental institution is convinced that he's made up a city called Ambergris, imagined its every last detail, and that he's really from a place called Chicago . . .* By turns sensuous and terrifying, filled with exotica and eroticism, this interwoven collection of stories, histories, and "eyewitness" reports invokes a universe within a puzzle box where you can lose—and find—yourself again. In 1884, the Westland family arrives to settle in the harsh country of San Juan County, Utah, and works hard to make a life as the 19th century comes to a close. In 1908, the Schutze family raises their children and milks their cows in Graswang Village, Germany. For both families, although they don't know it, events are moving them and their world toward World War I. *River Andrews Call me Cinderella. I'm a rags to riches story - girl from trailer park becomes Hollywood starlet. And I'm about to get my happy ever after. That is, until I walk in to my house, three hours before my wedding, to find my rock star fiance sticking his c**k down my sister's throat. With cameras behind me, filming. I'm running from the whole humiliating thing. I'm not prepared to run straight into him- Elias Saint. He's completely wrong for me- damaged, dirty, and demanding. But once he touches me, I can't walk away. Elias Saint Some people carry their wounds on the inside. Every f**cking step I take, I'm reminded of mine. I lost my leg in Afghanistan. Since then, I've just been lost. Now I'm going back to West Bend, Colorado, the place my brothers and I ran like hell to get away from. And she's hitched a ride- River Andrews. A f**cking movie star. This isn't a fairytale. Happy endings don't exist. And I'm no f**ing Prince Charming. But, for her, there's a chance I might be.*
