Key for Convicted Workbook
Serves as a four-level course
that includes 80 hours of class
work, with additional time for
the self-study work. This
course includes a Teacher's
Book that contains all the
pages from the Classroom
Book, with interleaved teaching
notes containing optional
activities to cater for different
abilities. It also provides an
accompanying video. Hard
Math for Elementary School:
Answer Key for Workbook
provides answers to the
problems in the similarly titled
workbook. The problems in the
Hard Math workbook are hard.
Some are very hard. This is
especially true of "Making
Connections" problems, which
require that you remember
something from an earlier
chapter, and "Challenge"
problems, which are designed
to challenge even the most
advanced students (and keep
them occupied). For this
reason - and simply because it
is a big time saver for busy

parents and teachers - this answer key is made available at a very low price, and it is strongly recommended that teachers get a copy. The answer key mostly just gives answers, but it does also provide brief explanations for some of the more difficult problems. This Answer Key accompanies the HIS Story of the 20th Century Middle School Workbook (sold-separately) and includes answers to the questions, worksheets, and books reviews.
