Is Saudi Arabia really a homogeneous Wahhabi dominated state? In 1932 the Al Saud family incorporated the kingdom of Hijaz, once the cultural hub of the Arabian world, in to the kingdom of Saudi Arabia. The urban, cosmopolitan Hijazis were absorbed in to a new state whose codes of behavior and rules were determined by the Najdis, an ascetic desert people, from whom the Al Saud family came. But the Saudi rulers failed to fully integrate the Hijaz, which retains a distinctive identity to this day. In "Cradle of Islam", the product of years spent in Mecca, Medina, Jeddah and Taif, Mai Yamani traces the fortunes of the distinctive and resilient culture of the Hijazis, from the golden age of Hashemite Mecca to Saudi domination to its current resurgence. The Hijazis today emphasise their regional heritage in religious ritual, food, dress and language as a response to the 'Najdification' of everyday life. The Hijazi experience shows the vitality of cultural diversity in the face of political repression in the Arab world. "This text provides commentary and analysis of New Zealand employment law"--Publisher information. It's 1937, the eve of World War II. At twenty-six years old, Rezsi Lehrer leaves Munkacs, a small charming city located deep within a remote corner of the Carpathian mountains and travels alone to the United States. War breaks out and Eastern European borders are sealed. Rezsi's family is trapped in Czechoslovakia and the packages she sends home are returned unopened. When the war ends, Rezsi discovers her parents, two brothers and scores of relatives perished in the Holocaust. Gypsy Music Street is the story of one woman's endless sorrow and guilt she suffers at the loss of her family, the family she left behind "to die alone." Yet she still yearns to return to her town, "the little Paris of the East," to see it just one more time. But after the war, countries borders are redrawn and Mukacevo is no longer located in Czechoslovakia. It becomes completely closed off within the iron grip of the Soviet Union and the political climate is one of Cold War. Mukacevo is off limits for travel. As the years pass, Rezsi reminisces, sharing her longing and grief about the past with her daughter Bobbie. And when she dies an old woman, her dream unfulfilled, Bobbie is driven by her own loss and grief to make this journey home for her mother, and for herself. Adventures in Budapest, Ukraine and Israel make Gypsy Music Street an enthralling memoir of love and loss. Yet, it is also a

story of the overwhelming joy a daughter experiences when she travels back in time and discovers her own torn roots. With a wide range of examples and exercises taken from current events and published research, frequent illustrations, and a focus on student learning, this book continues to be an accessible and engaging resource for students. "I think this textbook is incredibly readable. We are led on the journey of a lifetime to the city of Mecca - the pilgrimage known to Muslims as the Hajj.

The pilgrims walk with heads bare and feet in sandals; they call to Allah; they kiss or point to the Black Stone, as the Prophet did. Arriving at Mecca, they surge round the Ka'aba, shave their heads and travel to Mount Arafat. Finally, though their bodies are tired and aching, their spirits are uplifted, knowing that with thousands of others they have performed the sacred pilgrimage. This is a window on to a sacred journey for Muslims the world over - beautifully described and illustrated for younger children.
