Short game shots in your golf game don't have to be complicated-unless you're getting all kinds of conflicting information about technique and strategy. In *The Wedge Book*, Brandon Stooksbury cuts through the confusion and provides you a clear, straightforward plan to build your short game from the smallest bump-and-run to a 50-yard pitch shot. By using the same baseline technique and adding specific elements for certain shots, you'll be able to take away the mystery and indecision that can ruin a golf hole so easily. Stooksbury's advice has been proven in the highest levels of competitive golf. And now, with *The Wedge Book*-and a month or so of practice-you can take it to your course. It's never too late. Whether you're a new Christian or you've walked the road for decades, it's never too late to find the critical truths that make life make sense. We often start out believing that common sense will be enough, that we're prepared for the road ahead with our good values and quick thinking. It doesn't take long to learn otherwise. A broken friendship. An obsessive career. Financial distress. Even empty success. We come back to God, searching for insight, for hope. And He provides. Nothing can replace studying the Bible. Best-selling author and pastor Charles Swindoll has spent decades studying its pages and teaching its precepts. But if sixty-six books seem overwhelming, *The Owner's Manual for Christians* is the perfect starting place: a biblical summary of the major truths that anchor the Christian life. From grace to freedom, these chapters walk the reader through the keys to a life well lived?drawn from the Creator of

life itself. Life is often confusing, but it does not have to be impossible. Read The Owner's Manual for Christians and find hope for the road ahead. From clothing recommendations to picking the best firestarter, expert survival instructor Leon Pantenburg shares his immense knowledge of bushcraft and survivalist skills so that anyone—backpackers, preppers, city dwellers, and more—can be ready for a possible emergency. In *Bushcraft Survival*, Pantenburg delivers practical tips and anecdotes that cater to readers who are looking to improve their outdoor skills and prepare for every potential disaster. Drawing from his personal experience as an avid outdoorsman and years as a journalist, Pantenburg lays out easy-to-follow steps to prep for both short and long-term survival situations. As natural disasters become increasingly present and people continue to rely on reality television shows for survival tips, developing bushcraft abilities is becoming more and more important. In this thorough handbook, Pantenburg covers a wide range of topics, including: Developing a survival mindset Crafting survival kits Choosing clothing best suited to survival Picking materials and objects to help you survive Building a variety of shelters Deciding what survival tools you should pack and which you should leave at home Effectively make a fire using different techniques Filled with time-tested techniques and first-hand experience, *Bushcraft Survival* is the ideal book for those who want to step up their hiking or camping game, as well as those who are searching for relevant advice on emergency preparedness. I have been teaching since 1972. Everything and anything that was inspirational. It was always a quest, a search for the higher road, the missing chord. I was blessed to be educated at great NYC schools; my spiritual mentors were some of the most influential teachers of the twentieth century. To this day, I try and leave each person I meet with an inspiration. After a

lifetime of reading voraciously, I'm still looking for that ONE exceptional source that explains things, a cookbook of life. You know when you buy a new car, it comes with an owner's manual. Need information about the new car? It's in the book. Should be the same with humans. When you are born, you get a book, a BOOK THAT EXPLAINS EVERYTHING! This would be the one book that I can hand a person and honestly say, "Read this, and you'll get it." So, this book was created to be an owner's manual for humans. It is a spiritual text that will directly answer why you are here and get this...how to fulfill your life's purpose and destiny. Yeah, big stuff. YOU WILL STILL HAVE TO WALK THE PATH but at least you will have a roadmap and compass. Each Haynes manual provides specific and detailed instructions for performing everything from basic maintenance and troubleshooting to a complete overhaul of the machine, in this case the Jeep Patriot and Compass, model years 2007 through 2017. A selection of "Quality Paperback, Doubleday, The Literary Guild, One Spirit, American Compass, Instight/Out, and "Crossings Book Clubs This full-color guide covers 90 trails in southern Utah's spectacular canyon country that epitomize the "wonder of wilderness." The authors hiked more than 1600 miles through Zion, Bryce, Escalante-Grand

Staircase, Glen Canyon, Grand Gulch, Cedar Mesa, Canyonlands, Moab, Arches, Capitol Reef, and the San Rafael Swell in order to compile their list of 90 WOW hikes. Coverage ranges from short dayhikes to multi-day backpacking adventures. The book describes precisely where to find the redrock cliffs, slick-rock domes, soaring arches, and ancient ruins that make southern Utah unique. And it does so in a refreshing style--honest, literate, entertaining, and inspiring. 2018 Axiom Business Book Award Winner, Gold Medal Stop Selling! Start Solving!
