(Tasteful, PG-13 rated.) Reader Reviews "A new Jan Moran book is a true gem. Verena, Scarlett, Fianna, and Dahlia are the closest of friends. They are all strong, intelligent women heading up their own businesses. Through these ladies, Jan gives us a peek into the world of fashion design, perfumery, and jewelry design. I love each though each book is on a different one of these ladies they all make appearances in each book. They are always there for each other through love, breakups, business successes, and business upheaval. And whenever girlfriends get together, there is always laughter and lots of love." - B.J.T. "I enjoyed all three of these stories. All of these women have obstacles in the story for them to overcome and they find love along the way. It is also refreshing to read stories where the love scenes fade out." - Irene S. "Three exciting women who just so happen to be friends are the mainstay of this box set. New York Times bestselling author Maureen Johnson delivers the witty and pulse-pounding conclusion to the *Truly Devious* series as Stevie Bell solves the mystery that has haunted Ellingham Academy for over 75 years. Ellingham Academy must be cursed. Three people are now dead. One, a victim of either a prank gone wrong or a murder. Another, dead by misadventure. And now, an accident in Burlington has claimed another life. All three in the wrong place at the wrong time. All at the exact moment of Stevie's greatest triumph . . . She knows who *Truly Devious* is. She's solved it. The greatest case of the century. At least, she thinks she has. With this latest tragedy, it's hard to concentrate on the past. Not only has someone died in town, but David disappeared of his own free will and is up to something. Stevie is sure that somehow—somehow—all these things connect. The three deaths in the present. The deaths in the past. The missing Alice

Ellingham and the missing David Eastman. Somewhere in this place of riddles and puzzles there must be answers. Then another accident occurs as a massive storm heads toward Vermont. This is too much for the parents and administrators. Ellingham Academy is evacuated. Obviously, it's time for Stevie to do something stupid. It's time to stay on the mountain and face the storm—and a murderer. In the tantalizing finale to the Truly Devious trilogy, New York Times bestselling author Maureen Johnson expertly tangles her dual narrative threads and ignites an explosive end for all who've walked through Ellingham Academy. Praise for the Truly Devious series: “Readers, hang tight: there's one more round to come, and if the signs are right, it'll be to die for.” —Publishers Weekly (starred review) “The Agatha Christie-like ecosystem pairs with lacerating contemporary wit, and alternating past and present scenes makes for a multilayered, modern detective story.” —New York Times Book Review “Remember the first time reading Harry Potter and knowing it was special? There's that same sense of magic in the introduction of teen Sherlock-in-training Stevie Bell.” —USA Today (four stars) “Be still, my Agatha-Christie-loving beating heart.” —Bustle In three adventures, Humphrey the hamster learns that he plays an important role in his classroom, reflects on the meaning of friendship, and describes his human classmates' experiences when they start a project to create a model town. Rachael Lippincott, coauthor of #1 New York Times bestseller *Five Feet Apart*, weaves a “breezy...truly charming” (Kirkus Reviews) love story about learning who you are, and who you love, when the person you've always shared yourself with is gone. Emily and her mom were always lucky. But Emily's mom's luck ran out three years ago when she succumbed to cancer, and nothing has felt right for Emily since. Now, the summer before her senior year, things are getting worse. Not only has Emily wrecked things with her boyfriend Matt, who her mom adored, but her dad is selling the house she

grew up in and giving her mom's belongings away. Soon, she'll have no connections left to Mom but her lucky quarter. And with her best friend away for the summer and her other friends taking her ex's side, the only person she has to talk to about it is Blake, the swoony new girl she barely knows. But that's when Emily finds the list—her mom's senior year summer bucket list—buried in a box in the back of her closet. When Blake suggests that Emily take it on as a challenge, the pair set off on a journey to tick each box and help Emily face her fears before everything changes. As they go further down the list, Emily finally begins to feel close to her mom again, but her bond with Blake starts to deepen, too, into something she wasn't expecting. Suddenly Emily must face another fear: accepting the secret part of herself she never got a chance to share with the person who knew her best. The Straw Hats' adventures in the samurai kingdom of Wano keep getting crazier! And when they learn the horrible truth about the Smile fruits, their fury explodes!! Meanwhile, Luffy's still stuck in the labor camp with a whole army trying to kill him. Can he use this opportunity to get even stronger? -- VIZ Media
