Two all-new novellas that cross the boundaries of desire. Exiled by Maya Banks...Enticed to the island paradise where an enigmatic prince is living in exile, beautiful, virginal Talia is introduced to a world of forbidden pleasure where the prince's every whim is fulfilled and her fantasies are rendered in exquisite detail. But when the prince is summoned back to fulfill his duty to his struggling country, reality is thrust upon Talia all too soon. She returns home, heartbroken, convinced she was a passing fancy for an idle ruler and his most trusted men. Until the day they arrive on her

doorstep, determined to have her back where she belongs. Sway by Lauren Dane...Levi Warner is an established, older man—wealthy, powerful, and above all, respectable. Then Levi meets Daisy, an uninhibited 24-year-old dance instructor and artist, not exactly the kind of woman Levi is accustomed to. But the young, free spirit, brings out something in him he only experienced in fantasies. When their scorching affair turns into something unexpectedly deeper, Levi finds himself torn between preserving his reputation, and exploring a wilder and much more satisfying kind of life. Sex is best when it's one-on-one...plus one. Four of erotic fiction's most talented authors carry readers away with all-new tales of ecstasy that prove that the most delectable things in life come in threes. The sweetest reward comes after the longest wait Viktor Orlov took one look at the wary gaze and slow-to-trust personality of the deliciously sexy and fascinating Rachel Dolan and knew he wanted more than just a casual friendship. But as a natural protector, he also knew bossiness and overprotective maneuvering would push her away. He'll use every tool in his easygoing arsenal to convince her to take a chance on them. Rachel's flourishing new career as a tattoo artist has brought color back into a life

previously damaged by violence. She knows she can trust Vic—it's herself she's not sure of. She doesn't want to be caged or controlled, protected so much she has no ability to make her own choices. And damn if the man doesn't know it. When Vic finally drops all pretenses of "just friends" and focuses all his careful affection and irresistible seduction on her, Rachel knows she's falling hard for the laid-back pretty-boy Russian she's discovered has a relentlessly steel spine when it comes to her. And she can't resist. Someone is illegally siphoning magic from the font of the Clan. When Meriel Owen, next in line to control the largest organization of witches in the country, discovers that it's the hot owner of a notorious underground club, she strokes an unusual deal that may plunge them all into the heart of darkness. New York Times bestselling author Lauren Dane welcomes you back to Diablo Lake, Tennessee: a town founded by witches, governed by werewolves and full of secrets. Tensions are building in Diablo Lake as the two main rival Packs vie for control, and the town is divided along lines of Pack loyalty. Aimee Benton and Mac Pembry are on opposite sides and he seems to find excuses to spar with her daily. He's infuriating—not to mention charming, gorgeous and oh-so-lickable. Mac

can't resist pushing Aimee's buttons. She's always been incredibly sexy, and the wolf in him craves a female with fire in her belly. When a heated argument ends with a sizzling kiss and Mac gets a taste of her, he craves more—and she can't seem to get enough of him, either. The forbidden nature of their attraction stokes their desires until they're secretly hooking up whenever they can. But then Mac's clan goes too far, and Aimee shuts him out. She's hurt and angry—but that's nothing compared to the rage Mac is feeling toward his own Pack. A fight is brewing that will plunge the whole town into chaos, and someone will have to cross Pack lines to keep the town's fragile peace from breaking apart for good. Book two of the Diablo Lake series This book is approximately 90,000 words New York Times bestselling author Lauren Dane welcomes you back to Diablo Lake, Tennessee: a town founded by witches, governed by werewolves and brimming full of secrets It's autumn in Diablo Lake and the town is buzzing with preparations for Halloween, Samhain, Collins Hill Days, and the wedding of the newly elected mayor and her wolf shifter fiancé. Ruby Thorne can't think of a better time of year to come back for good and open the health clinic she's been planning for the last six years. Her connection to the town and its veins of magic have snapped back into place, flooding her with a power eager to jump to her call. She has a sense of rightness. This witch is exactly where she's supposed to be. So it's not much of a surprise that he comes back into her path just

like he was meant to... Damon Dooley has spent the last few years learning how to run the pack at his older brother's right hand. There's been upheaval. Outrage. Violence. Old rules have created a silence so crushing it's collapsed the fabric of not just the wolf shifters, but the town as a whole. And yet, Ruby has returned. Man and wolf agree she needs to be in their life regularly, and before long, things move from serious to something magically deeper. Bound to one another heart and soul, both committed to what's best for Diablo Lake, Ruby backs Damon as he pushes for much-needed change. But when something falls into Ruby's lap and she learns the whole, terrible truth, secrets need to be spilled. How—and by whom—becomes the only question. But when longtime family friend Liv Davis signs up for some personal training sessions, Marc realizes the only woman he wants has been right in front of him all along. Mayor's assistant Liv has been hurt too many times to let a Chase brother into her life—or into her bed. She's ready for something more. Something she doesn't think

the six-years-younger Marc is ready to give. Until they share a wildly passionate kiss, that is. Then all bets are off. Knowing he'll need more than pretty words to break through Liv's wall of heartbreak, Marc takes the gamble of his life to prove his love: two days away, full of hot sex and bared souls. But will this bet be enough to win her heart forever? The Chase is on. One small town. Four hot brothers. And enough heat to burn up anyone who dares to get close. Don't miss the other books in the series: Taking Chase, Giving Chase and Making Chase. This book is approximately 60,000 words Edited by Angela James After her passionate but turbulent marriage to rock star Vaughan Hurley ended in divorce, former model Kelly Hurley rebuilt her life in Portland, close enough to her ex for their two young daughters to spend time with their father. Kelly has finally moved on and is planning to marry another man, but Vaughan, who now regrets his past actions, wants to prove to Kelly that he's the only man for her. A Cake sequel An impromptu road trip makes for the honeymoon Gregori and Wren didn't know they wanted Bad-boy artist Gregori Ivanov wants nothing more than to marry Wren Davis. He's asked her before—more than once—but she insisted on waiting until she'd established her own career. Now that the time is finally right, Gregori has one hell of a celebration in mind. Restaurants, museums and NYC luxury all the way...on top of all the newlywed sex they'll be having. The universe, unfortunately, did not get the

message. When their plane is grounded in Idaho, they're forced to improvise a road trip to get back to Seattle instead of the romantic getaway Gregori painstakingly planned. Edited by Angela James A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the

campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace. But secretly he still craves the connection he lost when his best friend Adam and the love of his life Jessilyn walked out. Then, he wasn't ready for the pleasure they promised. Now, things have

changed. Rich, powerful, and insatiable, Adam Gulati is used to getting what he wants. And there's nothing he wants more than Mick and Jessi. He hasn't seen either in over a year, but the second he sets eyes on them again his memories--and his desires--can't be denied. After trying to live without them, Jessi Franklin realized no one else can satisfy her like Adam and Mick. The three of them need one another--in more ways than one. It's time to stop pretending and submit to the hunger they all share. But once they go down this road, there's no turning back. As deeply devoted as they are, no one knows what great bliss their forbidden fantasy will find--or the price they may pay . . . Perfect for fans of Sylvia Day, Jaci Burton and Kristen Proby USA Today bestselling author Lauren Dane delivers a second serving of sexy in her new Delicious novel, in which taste and temptation make up a sweet recipe... Mary Whaley has her hands full running a successful catering company and overseeing her supper club. She has everything she ever wanted--or so she thought. When she meets ridiculously hot and very dirty rock star Damien Hurley at her friend's engagement party, the attraction she feels is overpowering--and she isn't about to deny herself. Damien is used to a hard and fast life. He and two of his brothers started a band when they were fresh out of high school--then they hit the big time and stayed there. He's also a legendary madman on the stage and in the bedroom. But when he meets Mary, something clicks, and the bad boy starts

thinking he may have finally found something good. What begins as a series of fleeting trysts soon gets much more complicated. Damien can't figure out why Mary doesn't want more from him. And before long, it's Damien who wants more from Mary. But it turns out Mary is no stranger to celebrity news, and he's got a very big job ahead of him: proving that he's worth more than a one-night stand... It's been ten years since clean-cut, sexy-as-hell police officer Todd Keenan had a white-hot fling with wild, uninhibited rocker Erin Brown. What happened between them got under his skin—even if love wasn't in the cards just yet... Now that they're back together, picking up where they left off is tough in light of Erin's troubled past. As Todd earns her trust, their relationship takes an unexpected turn. Todd's best friend, Ben, comes to play, arousing their deepest fantasies. The passion they share transforms Erin, but it may not be enough to face the evil she thought she had left behind. From the "always fabulous Lauren Dane"\* comes her new novel of a treacherous family legacy, a temptation just as dangerous, and an evil so depraved it can only be spoken of in whispers... The life of Lark Jaansen, hunter in Clan Gennessee, has been shaped by violence and unrest—and it defines her future. Well-trained and resilient, she's met her militaristic match in Simon Leviathan, a warrior not of this world. Locked in mutual admiration, and a desire so hot it burns, Lark and Simon have something else in common: they love the dark,

and as a shadow is cast over their world, they're each coming into their own. A mysterious war has been waged among the Others. As witches and humans turn against each other, as faes retreat in fear, and as vampires rise, Lark and Simon discover that an unseen force is behind it. A single, hungry entity older than recorded history has returned to gorge on the magick of his victims. He is the Magister, nothing less than the end of time. Finding him is Lark and Simon's first hope. Surviving him is their last. \*Lara Adrian Natasha Friend is a Judy Blume for today -- clearly evident in this remarkable new novel about a girl whose father is an alcoholic and how she and her family learn to deal with his condition. It's hard to be a 13-year-old girl. But it's even harder when your father's a drunk. It adds an extra layer to everything -- your family's reactions to things, the people you're willing to bring home, the way you see yourself and the world. For Samantha, it's something that's been going on for so long that she's almost used to it. Only, you never get used to it. Especially when it starts to get worse... Lia Riley's Off the Map series comes to a stunning conclusion. Love is their best adventure yet . . . Talia Stolfi is deeply in love with the brooding Aussie surfer who stole her heart-but their infrequent letters only get her so far. While she fulfills her dream of being in the Peace Corps, a dangerous condition jeopardizes her life . . . and threatens to shatter her heart. After nearly losing Talia forever, Bran Lockhart sailed to the

stormy seas at the ends of the earth. Deep down, he knows that all roads worth traveling lead back to the beautiful California girl with the sunny smile. There's no denying that he belongs with her, but to have her by his side means Bran must dare to do something he's never done before: hope. Everything they've fought for has come down to this moment. Can Talia and Bran discover the courage to claim their future and learn that sometimes, in order to earn true love, you need to venture off the map?
