An incomparable culinary treasury: the definitive guide to French cooking for the way we live now, from the man the Gault Millau guide has proclaimed "Chef of the Century." Joël Robuchon's restaurant empire stretches from Paris to New York, Las Vegas to Tokyo, London to Hong Kong. He holds more Michelin stars than any other chef. Now this great master gives us his supremely authoritative renditions of virtually the entire French culinary repertoire, adapted for the home cook and the contemporary palate. Here are more than 800 precise, easy-to-follow, step-by-step recipes, including Robuchon's updated versions of great

classics—Pot-au-Feu, Sole Meunière, Cherry Custard Tart—as well as dozens of less well-known but equally scrumptious salads, roasts, gratins, and stews. Here, too, are a surprising variety of regional specialties (star turns like Aristide Couteaux’s variation on Hare Royale) and such essential favorites as scrambled eggs. Emphasizing quality ingredients and the brilliant but simple marriage of candid flavors—the genius for which he is rightly celebrated—Robuchon encourages the beginner with jargon-free, impeccable instructions in technique, while offering the practiced cook exciting paths for experimentation. The Complete Robuchon is a book to be consulted again and again, a magnificent resource no kitchen should be without. 120+ recipes for the unfussy dishes—from all-day eggs to 2 a.m. snacks—that the James Beard Award-winning, three-Michelin-starred chef of Manresa cooks at home. “An instant classic, it defines California cool and wears its sophistication lightly.”—Padma Lakshmi

When David Kinch isn’t working at one of his restaurants, he cooks in his strawberry-colored bungalow—affectionately known as the Pink Palace—where he lives on the Northern California coast. A casual meal might include a rustic pasta made with cans from the pantry, a simple roasted chicken, or too many oysters to count. In *At Home in the Kitchen*, you’ll find David’s ready-for-anything Mother-Sauce Mayo, a revelatory Guacamole with Pomegranate, the best make-ahead Grilled Cheese, and everything you want to eat for dinner tonight: Onion & Brioche Soup, Brussels Sprouts with Cider & Goat Cheese, Penne with a Walnut Sauce, Jambalaya New Orleans Style, Oven-Roasted Potatoes with Cod, Whole Roast Cauliflower with Capers & Egg, and much more. Photographed on location in the coastal town of Santa Cruz, where David surfs, sails, and entertains, this laid-back cookbook is packed with go-to recipes, songs to listen to while cooking, and a few classic cocktails (rum punch, daiquiris, sangria, margaritas!) to set a cheerful mood. And while each recipe has no more than a few key ingredients, David’s clever techniques, subtle twists, and fresh

flavor combinations guarantee delicious—and impressive!—results in no time at all. In this, his fourth big cookbook, the award-winning chef John Besh takes another deep dive into the charm and authenticity of creole cooking inspired by his hometown, New Orleans. *Besh Big Easy: 101 Home-Cooked New Orleans Recipes*, is a fresh and delightful new look at his signature food. *Besh Big Easy* will feature all new recipes and easy dishes, published in a refreshing new flexibound format and accessible to cooks everywhere. Much has changed since Besh wrote his bestselling *My New Orleans* in 2009. His restaurant empire has grown from two to twelve acclaimed eateries, from the highly praised Restaurant August to the just opened farm-to-table taqueria, Johnny Sanchez. John's television career has blossomed as well. He's become known to millions as host of two national public television cooking shows based on his books and of *Hungry Investors* on Spike TV. *Besh Big Easy* is dedicated to accessibility in home cooking and Orleans cuisine. "There's no reason a good jambalaya needs two dozen ingredients," John says. In this book, jambalaya has less than ten, but sacrifices nothing in the way of flavor and even offers exciting yet simple substitutions. With 101 original, personal recipes such as Mr. Sam's Stuffed Crabs, Duck Camp Shrimp & Grits, and Silver Queen Corn Pudding, *Besh Big Easy* is chock-full of the vivid personality and Louisiana flavor that has made John Besh such a popular American culinary icon. Happy eating! A New York Times Bestseller Winner of the James Beard Award for General Cooking and the IACP Cookbook of the Year Award "The one book you must have, no matter what you're planning to cook or where your skill level falls."—New York Times Book Review Ever wondered how to pan-fry a steak with a charred crust and an interior that's perfectly medium-rare from edge to edge when you cut into it? How to make homemade mac 'n' cheese that is as satisfyingly gooey and velvety-smooth as the blue box stuff, but far tastier? How to roast a succulent, moist turkey (forget about

brining!)—and use a foolproof method that works every time? As Serious Eats's culinary nerd-in-residence, J. Kenji López-Alt has pondered all these questions and more. In *The Food Lab*, Kenji focuses on the science behind beloved American dishes, delving into the interactions between heat, energy, and molecules that create great food. Kenji shows that often, conventional methods don't work that well, and home cooks can achieve far better results using new—but simple—techniques. In hundreds of easy-to-make recipes with over 1,000 full-color images, you will find out how to make foolproof Hollandaise sauce in just two minutes, how to transform one simple tomato sauce into a half dozen dishes, how to make the crispiest, creamiest potato casserole ever conceived, and much more. **THE FANTASTIC NEW SUNDAY TIMES BESTSELLER.** Big flavours. whatever day it is! Since its first publication in France in 1969, Fernand Point's 'Ma Gastronomie' has taken its place among the true classics of French gastronomy. It is as celebrated for Point's wise, witty and provocative views on food as for his remarkable, inventive recipes, carefully compiled from his handwritten notes. "You people come into the market—the Greenmarket, in the open air under the down pouring sun—and you slit the tomatoes with your fingernails. With your thumbs, you excavate the cheese. You choose your stringbeans one at a time. You pulp the nectarines and rape the sweet corn. You are something wonderful, you are—people of the city—and we, who are almost without exception strangers here, are as absorbed with you as you seem to be with the numbers on our hanging scales." So opens the title piece in this collection of John McPhee's classic essays, grouped here with four others, including "Brigade de Cuisine," a profile of an artistic and extraordinary chef; "The Keel of Lake Dickey," in which a journey down the whitewater of a wild river ends in the shadow of a huge projected dam; a report on plans for the construction of nuclear power plants that would float in the ocean; and a pinball shoot-out between two prizewinning journalists. The long-awaited cookbook by one of the San Francisco Bay Area's star chefs, David Kinch, who has revolutionized restaurant culture with his take on the farm-to-table ethic and focus on the terroir of the Northern California coast. Since opening Manresa in Los Gatos in 2002, award-winning Chef David Kinch has done more to create a sense of place through his food—specifically where the Santa Cruz Mountains meet the sea—than any other chef on the West Coast. Manresa's thought-provoking dishes and unconventional pairings draw on techniques both traditional and modern that combine with the heart of the Manresa experience: fruits and vegetables. Through a pioneering collaboration between farm and restaurant, nearby Love Apple Farms supplies nearly all of the restaurant's exquisite produce year round. Kinch's interpretation of these

ingredients, drawing on his 30 years in restaurants as well as his far-flung and well-fed travels, are at the heart of the Manresa experience. In Manresa, Chef Kinch details his thoughts on building a dish: the creativity, experimentation and emotion that go into developing each plate and daily menu—and how a tasting menu ultimately tells a deeper story. A literary snapshot of the restaurant, from Chef Kinch's inspirations to his techniques, Manresa is an ode to the mountains, fields, and sea; it shares the philosophies and passions of a brilliant chef whose restaurant draws its inspiration globally, while always keeping a profound connection to the people, producers, and bounty of the land that surrounds it. Bistro food is the food of happiness. The dishes have universal allure, whether it's steak frites or a perfectly roasted chicken, onion soup or beef bourguignon. These are recipes that have endured for centuries, and they find their most perfect representation in the hands of the supremely talented Thomas Keller. And just as Bouchon demonstrated Keller's ability to distill the sublime simplicity of bistro cooking and elevate it beyond what it had ever been before, the #1 New York Times best-seller Bouchon Bakery is filled with baked goods that are a marvel of ingenuity and simplicity. From morning baguettes and almond croissants to fruit tarts and buttery brioche, these most elemental and satisfying of foods are treated with an unmatched degree of precision and creativity. With this exciting new collection, readers are sure to expand their knowledge, enrich their experience, and refine their technique. Chef Michel Richard offers instructions and techniques to recreate dishes from his own restaurants at home, including spuddies, crab poppers, chicken faux gras, and duck-duck-beet. Named a Best Book of 2020 by Publisher's Weekly Named a Best Cookbook of 2020 by Amazon and Barnes & Noble "Every elegant page projects Keller's high standard of 'perfect culinary execution'. . . . This superb work is as much philosophical treatise as gorgeous cookbook." —Publishers Weekly, STARRED REVIEW Bound by a common philosophy,

linked by live video, staffed by a cadre of inventive and skilled chefs, the kitchens of Thomas Keller's celebrated restaurants—The French Laundry in Yountville, California, and per se, in New York City—are in a relationship unique in the world of fine dining. Ideas bounce back and forth in a dance of creativity, knowledge, innovation, and excellence. It's a relationship that's the very embodiment of collaboration, and of the whole being greater than the sum of its parts. And all of it is captured in *The French Laundry, Per Se*, with meticulously detailed recipes for 70 beloved dishes, including Smoked Sturgeon Rillettes on an Everything Bagel, "The Whole Bird," Tomato Consommé, Celery Root Pastrami, Steak and Potatoes, Peaches 'n' Cream. Just reading these recipes is a master class in the state of the art of cooking today. We learn to use a dehydrator to intensify the flavor and texture of fruits and vegetables. To make the crunchiest coating with a cornstarch-egg white paste and potato flakes. To limit waste in the kitchen by fermenting vegetable trimmings for sauces with an unexpected depth of flavor. And that essential Keller trait, to take a classic and reinvent it: like the French onion soup, with a mushroom essence stock and garnish of braised beef cheeks and Comté mousse, or a classic crème brûlée reimaged as a rich, creamy ice cream with a crispy sugar tuile to mimic the caramelized coating. Throughout, there are 40 recipes for the basics to elevate our home cooking. Some are old standbys, like the best versions of beurre manié and béchamel, others more unusual, including a ramen broth (aka the Super Stock) and a Blue-Ribbon Pickle. And with its notes on technique, stories about farmers and purveyors, and revelatory essays from Thomas Keller—"The Lessons of a Dishwasher," "Inspiration Versus Influence," "Patience and Persistence"—*The French Laundry, Per Se* will change how young chefs, determined home cooks, and dedicated food lovers understand and approach their cooking. **NEW YORK TIMES BEST SELLER** • Celebrated food blogger and best-selling cookbook

Then there was *The French Laundry Cookbook*, setting a new standard for American cookbooks. In 2006, Chef Keller opened Ad Hoc, his casual family-style restaurant that serves a single menu a day, and that restaurant, too, gave birth to a groundbreaking cookbook, in fact a New York Times best seller. Whereas Ad Hoc at Home offers a huge happiness-inducing collection of family-style recipes that includes lunch-counter favorites—lemon meringue and cherry pie; such classics as Buttermilk Fried Chicken and Herbed Rack of Lamb, plus Thomas’s mom’s coconut cake and his dad’s favorite meatballs—*The French Laundry Cookbook* is a culinary ode to finesse. Every recipe in it has become a classic: from Keller’s Salmon Cornets to his Oysters and Pearls and Butter-Poached Lobster. From the casual but carefully considered food of Ad Hoc at Home to *The French Laundry Cookbook*’s recipes at their most refined, this is cooking that delivers in taste, and makes us all better cooks. Eleven Madison Park is one of New York City’s most popular fine-dining establishments, where Chef Daniel Humm marries the latest culinary techniques with classical French cuisine. Under the leadership of Executive Chef Daniel Humm and General Manager Will Guidara since 2006, the restaurant has soared to new heights and has become one of the premier dining destinations in the world. *Eleven Madison Park: The Cookbook* is a sumptuous tribute to the unforgettable experience of dining in the restaurant. The book features more than 125 sophisticated recipes, arranged by season, adapted for the home cook, and accompanied by stunning full-color photographs by Francesco Tonelli. Two legendary cooks invite us into their kitchen and show us the basics of good home cooking. Julia Child and Jacques Pépin are synonymous with good food, and in these pages they demonstrate techniques (on which they don’t always agree), discuss ingredients, improvise, balance flavors to round out a

meal, and conjure up new dishes from leftovers. Center stage are carefully spelled-out recipes flanked by Julia's and Jacques's comments—the accumulated wisdom of two lifetimes of honing their cooking skills. Nothing is written in stone, they imply. And that is one of the most important lessons for every good cook. So sharpen your knives and join in the fun as you learn to make:

- Appetizers: from traditional and instant gravlax to your own sausage in brioche and a country pâté
- Soups: from New England chicken chowder and onion soup gratinée to Mediterranean seafood stew and that creamy essence of mussels, billi-bi
- Eggs: omelets and “tortillas”; scrambled, poached, and coddled eggs; eggs as a liaison for sauces and as the puffing power for soufflés
- Salads and Sandwiches: basic green and near-Niçoise salads; a crusty round seafood-stuffed bread, a lobster roll, and a pan bagnat
- Potatoes: baked, mashed, hash-browned, scalloped, souffléed, and French-fried
- Vegetables: the favorites from artichokes to tomatoes, blanched, steamed, sautéed, braised, glazed, and gratinéed
- Fish: familiar varieties whole and filleted (with step-by-step instructions for preparing your own), steamed en papillote, grilled, seared, roasted, and poached, plus a classic sole meunière and the essentials of lobster cookery
- Poultry: the perfect roast chicken (Julia's way and Jacques's way); holiday turkey, Julia's deconstructed and Jacques's galantine; their two novel approaches to duck
- Meat: the right technique for each cut of meat (along with lessons in cutting up), from steaks and hamburger to boeuf bourguignon and roast leg of lamb
- Desserts: crème caramel, profiteroles, chocolate roulade, free-form apple tart—as you make them you'll learn all the important building blocks for handling dough, cooking custards, preparing fillings and frostings
- And much, much more . . .

Throughout this richly illustrated book you'll see Julia's and Jacques's hands at work, and you'll sense the pleasure the two are having cooking together, tasting, exchanging ideas, and raising a glass to savor the fruits of their labor. Again and

again they demonstrate that cooking is endlessly fascinating and challenging and, while ultimately personal, it is a joy to be shared. Kids can be the big cheese in the kitchen with this cookbook of kid-friendly, Ratatouille-inspired recipes. The concealed wire binding allows the book to lie flat for ease of use while preparing such fun dishes as Remy's Famous Omelets and Emile's Sewer Sandwiches. This silly cookbook is sure to please...down to the last crumb! Thomas Keller, chef/proprietor of Napa Valley's French Laundry, is passionate about bistro cooking. He believes fervently that the real art of cooking lies in elevating to excellence the simplest ingredients; that bistro cooking embodies at once a culinary ethos of generosity, economy, and simplicity; that the techniques at its foundation are profound, and the recipes at its heart have a powerful ability to nourish and please. So enamored is he of this older, more casual type of cooking that he opened the restaurant Bouchon, right next door to the French Laundry, so he could satisfy a craving for a perfectly made quiche, or a gratinéed onion soup, or a simple but irresistible roasted chicken. Now Bouchon, the cookbook, embodies this cuisine in all its sublime simplicity. But let's begin at the real beginning. For Keller, great cooking is all about the virtue of process and attention to detail. Even in the humblest dish, the extra thought is evident, which is why this food tastes so amazing: The onions for the onion soup are caramelized for five hours; lamb cheeks are used for the navarin; basic but essential refinements every step of the way make for the cleanest flavors, the brightest vegetables, the perfect balance—whether of fat to acid for a vinaigrette, of egg to liquid for a custard, of salt to meat for a duck confit. Because versatility as a cook is achieved through learning foundations, Keller and Bouchon executive chef Jeff Cerciello illuminate all the key points of technique along the way: how a two-inch ring makes for a perfect quiche; how to recognize the right hazelnut brown for a brown butter sauce; how far to caramelize sugar for different uses. But learning and

refinement aside—oh those recipes! Steamed mussels with saffron, bourride, trout grenobloise with its parsley, lemon, and croutons; steak frites, beef bourguignon, chicken in the pot—all exquisitely crafted. And those immortal desserts: the tarte Tatin, the chocolate mousse, the lemon tart, the profiteroles with chocolate sauce. In Bouchon, you get to experience them in impeccably realized form. This is a book to cherish, with its alluring mix of recipes and the author's knowledge, warmth, and wit: "I find this a hopeful time for the pig," says Keller about our yearning for the flavor that has been bred out of pork. So let your imagination transport you back to the burnished warmth of an old-fashioned French bistro, pull up a stool to the zinc bar or slide into a banquette, and treat yourself to truly great preparations that have not just withstood the vagaries of fashion, but have improved with time. Welcome to Bouchon. An essential resource for any cook, this book offers a comprehensive evaluation of both classic and contemporary equipment for the home kitchen and also explains more than 300 important cooking techniques that will help you execute tricky culinary tasks. The most

transformative cookbook of the century celebrates this milestone by showcasing the genius of chef/proprietor Thomas Keller himself. Keller is a wizard, a purist, a man obsessed with getting it right. And this, his first cookbook, is every bit as satisfying as a French Laundry meal itself: a series of small, impeccable, highly refined, intensely focused courses. Most dazzling is how simple Keller's methods are: squeegeeing the moisture from the skin on fish so it sautées beautifully; poaching eggs in a deep pot of water for perfect shape; the initial steeping in the shell that makes cooking raw lobster out of the shell a cinch; using vinegar as a flavor enhancer; the repeated washing of bones for stock for the cleanest, clearest tastes. From innovative soup techniques, to the proper way to cook green vegetables, to secrets of great fish cookery, to the creation of breathtaking desserts; from beurre monté to foie gras au torchon, to a wild and thoroughly unexpected take on coffee and doughnuts, *The French Laundry Cookbook* captures, through recipes, essays, profiles, and extraordinary photography, one of America's great restaurants, its great chef, and the food that makes both unique. One hundred and fifty superlative recipes are exact recipes from the French Laundry kitchen—no shortcuts have been taken, no critical steps ignored, all have been thoroughly tested in home kitchens. If you can't get to the French Laundry, you can now re-create at home the very experience *Wine Spectator* described as “as close to dining perfection as it gets.” Offers one hundred and fifty recipes from the French Laundry kitchen, including "parmigiano-reggiano crisps with goat cheese mousse", "shrimp with avocado salsa", and "strawberry and champagne terrine" For the estimated three million Americans suffering from Celiac disease, wheat allergies, and severe gluten sensitivities, Asian food is usually off-limits because its signature ingredients—noodles, soy sauce, and oyster sauce—typically contain wheat. In *The Gluten-Free Asian Kitchen*, food writer Laura B. Russell shows home cooks how to convert the vibrant cuisines of China, Japan, Korea, Thailand, and

Vietnam into gluten-free favorites. Authentically flavored dishes such as Crispy Spring Rolls, Gingery Pork Pot Stickers, Korean Green Onion Pancakes, Soba Noodles with Stir-Fried Shiitake Mushrooms, Salt and Pepper Squid, and Pork Tonkatsu will be delicious additions to any gluten-free repertoire. Along with sharing approachable and delicious recipes, Russell demystifies Asian ingredients and helps readers navigate the grocery store. Beautifully photographed and designed for easy weeknight eating, this unique cookbook's wide range of dishes from a variety of Asian cuisines will appeal to the discriminating tastes of today's gluten-free cooks. Documents the author's experience in the United States' most influential cooking school, from the first classroom to the final kitchen, the American Bounty Restaurant. Original. 35,000 first printing. A revolution in cooking Sous vide is the culinary innovation that has everyone in the food world talking. In this revolutionary new cookbook, Thomas Keller, America's most respected chef, explains why this foolproof technique, which involves cooking at precise temperatures below simmering, yields results that other culinary methods cannot. For the first time, one can achieve short ribs that are meltingly tender even when cooked medium rare. Fish, which has a small window of doneness, is easier to finesse, and shellfish stays succulent no matter how long it's been on the stove. Fruit and vegetables benefit, too, retaining color and flavor while undergoing remarkable transformations in texture. The secret to sous vide is in discovering the precise amount of heat required to achieve the most sublime results. Through years of trial and error, Keller and his chefs de cuisine have blazed the trail to perfection—and they show the way in this collection of never-before-published recipes from his landmark restaurants—The French Laundry in Napa Valley and per se in New York. With an introduction by the eminent food-science writer Harold McGee, and artful photography by Deborah Jones, who photographed Keller's best-selling *The French Laundry Cookbook*, this book will be a must

for every culinary professional and anyone who wants to up the ante and experience food at the highest level. “Never has a President of the United States, or any head of state for that matter, been so totally revealed, so completely documented” (Robert A. Arthur). *Plain Speaking* is the bestselling book based on conversations between Merle Miller and the thirty-third President of the United States, Harry S. Truman. From these interviews, as well as others who knew him over the years, Miller transcribes Truman’s feisty takes on everything from his personal life, military service, and political career to the challenges he faced in taking the office during the final days of World War II and the beginning of the Cold War. Using a series of taped discussions from 1962 that never aired on television, *Plain Speaking* takes an opportunity to deliver exactly how Mr. Truman felt about the presidency, and his thoughts in his later years on his accomplishments and the legacy he left behind. “The values of *Plain Speaking*, on the whole, are those of the highest form of political communication: the bull session. As with all good bull sessions, what is said here ranges widely in quality and seriousness, as one should expect when dealing with a complex man.” —The New York Times “*Plain Speaking* has a nostalgic, downhome quality of good friends gossiping over the back fence, or saying their piece of a twilight eve rocking on the porch—and if those fellas back in Washington have their secret machines running, well, they won’t like what they overhear. Not one little bit.” —Kirkus Reviews

In this authoritative and immensely readable insider's account, celebrated cookbook author and former chef Joyce Goldstein traces the development of California cuisine from its formative years in the 1970s to 2000, when farm-to-table, foraging, and fusion cooking had become part of the national vocabulary. Interviews with almost two hundred chefs, purveyors, artisans, winemakers, and food writers bring to life an approach to cooking grounded in passion, bold innovation, and a dedication to "flavor first." Goldstein explains how the counterculture movement in the West gave rise to a restaurant culture characterized by open kitchens, women in leadership positions, and a surprising number of chefs and artisanal food producers who lacked formal training. The new cuisine challenged the conventional kitchen hierarchy and French dominance in fine dining, leading to a more egalitarian and informal food scene. In weaving Goldstein's views on California food culture with profiles of those who played a part in its development—from Alice Waters to Bill Niman to Wolfgang Puck—*Inside the California Food Revolution* demonstrates that, while fresh produce and locally sourced ingredients are iconic in California, what transforms these elements into a unique cuisine is a distinctly Western culture of openness, creativity, and collaboration. Engagingly written and full of captivating anecdotes, this book shows how the inspirations that emerged in California went on to transform the experience of eating throughout the United States and the world.
