The Vessel Dec 14 2019 Create an heir or I lose the family business. The final decree from my father on his deathbed, a millionaire who cared more about his business and money than what his son wanted in life, than if his son was happy. I had a year to find a woman and convince her to have my baby or I'd lose everything. It was easy enough with the socialites who hung around in hopes I'd be with one of them. But it would never happen. I wanted a woman for my own, someone I could love, who could see past all my money and wanted me for me and not how I could advance their life. Yet at the end of the day, women only wanted me because I had deep pockets. But then there was Elise. My employee. A woman who I needed to keep a professional relationship with. I didn't see her as a means to an end. I saw her as the only woman who sparked life inside me with just a look. The only woman to have ever done that. I hadn't desired someone in a long time, hadn't wanted a woman in my bed for longer than I'd admit. I wanted to say screw it with my father's demand, and if that meant losing everything, so be it. But could Elise be the one to give me everything? Happiness, love... a baby?

The Fama Portfolio Oct 16 2022 Few scholars have been as influential in finance, both as an academic field and an industry, as Eugene Fama. Since writing his groundbreaking 1970 essay on efficient capital markets, Fama has written over 100 papers and books that have been cited hundreds of thousands of times. Yet there is no one collection where one can easily find his best work in all fields. "The Fama Portfolio" will be an outstanding and unprecedented resource in a field that still concentrates mainly on questions stemming from Fama's work: Is the finance industry too large or too small? Why do people continue to pay active managers so much? What accounts for the monstrous amount of trading? Do high-speed traders help or hurt? The ideas, facts, and empirical methods in Fama's work continue to guide these investigations. "The Fama Portfolio" will be a historic and long-lasting collection of some of the finest work ever produced in finance."

Baseball Haiku: The Best Haiku Ever Written about the Game Sep 15 2022 Presenting more than two hundred of the greatest haiku ever written about the game. There are moments in every baseball game that make fans catch their breath: the pause while a pitcher looks in for the sign, the moment a cocksure rookie gets picked off first, or the instant a batter lashes a game-winning homer into the night sky, just before the sell-out crowd explodes onto its feet. Haiku captures these moments like no other poetic form, and Baseball Haiku captures the sights, the sounds, the smells, and the emotions of the game like no previous collection. Some of the most important haiku poets of both America and Japan are featured in this anthology; including Jack Kerouac, a longtime baseball fan who pioneered English-language haiku; Alan Pizzarelli, one of the top American haiku and senryu poets of the last thirty years; and Masaoka Shiki, one of the four great pillars of Japanese haiku—a towering figure—who was instrumental in popularizing baseball in Japan during the 1890s. With over two hundred poems spanning more than a century of ball playing, Baseball Haiku reveals the intricate ways in which this enduring and indelible sport—which is played on a field, under an open sky—has always been linked to nature and the seasons. And just as a haiku happens in a timeless now, so too does Baseball Haiku evoke those unforgettable images that capture the actions and atmospheres of the national pastime: each poem resonates like the lonely sound of cleats echoing in the tunnel as a grizzled veteran leaves his final game. The largest collection of haiku and senryu on baseball ever assembled, Baseball Haiku is an extraordinary treasure for any true baseball fan.

The Book of L Nov 17 2022 This book is dedicated to Aristid Lindenmayer on the occasion of his 60th birthday on November 17, 1985. Contributions range from mathematics and theoretical computer science to biology. Aristid Lindenmayer introduced language-theoretic models for developmental biology in 1968. Since then the models have been customarily referred to as L systems. Lindenmayer's invention turned out to be one of the most beautiful examples of interdisciplinary science: work in one area (developmental biology) induces most fruitful ideas in other areas (theory of formal languages and automata, and formal power series). As evident from the articles and references in this book, the interest in L systems is continuously growing. For newcomers the first contact with L systems usually happens via the most basic class of L systems, namely, DOL systems. Here "0" stands for zero context between developing cells. It has been a major typographical problem that printers are unable to distinguish between 0 (zero) and O (oh). Thus, DOL was almost always printed with "oh" rather than "zero", and also pronounced that way. However, this misunderstanding turned out to be very fortunate. The wrong spelling "DOL" of "DOL" could be read in the suggestive way: DO L Indeed, hundreds of researchers have followed this suggestion. Some of them appear as contributors to this book. Of the many who could not contribute, we in particular regret the absence of A. Ehrenfeucht, G. Herman and H.A. Maurer whose influence in the theory of L systems has been most significant.

Every choice leads to a consequence. This is now my new life. And I must live with this consequence. Nikolas Lorenzo, head mafia of the Lorenzo Group. He barged into my life like a raging pit bull, destroying my orderly lifestyle and shattering my innocent dreams. Gun poised at my father's temple, he asks me point blank, "Choose between his life or yours." I've made my choice, and now I must live with this consequence. I become his. But ours is a volatile and erotic relationship. He's coldhearted and ruthless, but beneath the surface, I can see his fragile heart, haunted by the ghost of his past. He is a reflection of me, both damaged souls, bonded together through an unfortunate incident. Will we both live to see the day we cherish each other, or will we both suffer in this beautiful hell together? Nikolas Lorenzo "An eye for an eye. A tooth for a tooth." If you hurt me, I will hunt you down and exact vengeance on you tenfold. Nikolas Lorenzo lives in a chaotic world, one filled with bloodshed and death. The only light in his life is his kid brother. But when his life got taken away too, Nikolas self-destructs, going on a warpath to search for the culprit. And it leads him to Amelia Stone. She's painted as an innocent maiden in his brother's eyes, but he knows better. He asks her to make a choice. Life or death. She chooses death. But death is too easy of a way out. She needs to experience the hell she put his brother through. And so he constructs the perfect hell for her, one where he has absolute control. But whenever he looks into her amber eyes, he can't help seeing that innocent soul in her. Is this regret he's feeling, or will he languish his moments with her in this beautiful hell he created? *The Mafia and His Maiden: Beautiful Hell* is the first book in *The Mafia and His Maiden* series. Heartrending, angst, and filled to the brim with sensual smut scenes, this first book ends in a cliffhanger. Author's Note: Amelia is Jenny's sister in *Maid to the Mafia* series. Nikolas Lorenzo is Giovanni's frenemy. They both appear in Book 4: *Totally Devoted* in *Maid to the Mafia* series.

Scent Of Obsession Jun 12 2022 I was the woman who believed in fairy tales; he was the monster of them. The Devil of Ravencliff Manor. The Phantom. Radcliff. Escorted by a prince, my obsession led me to the villain's lair, with no hope for rescue. Trapped inside his greenhouse, our once upon a time began with a flower. More accurately, with a scent that captivated me. I signed my soul over to the man who represented my sinister nightmares. The one known to belong to the cruel shadows, who offered me my perfumer's dream. He demanded the impossible: the missing piece of his kingdom of sins. I stalked the impossible: his humanity. This is our dark tale. When beauty met ugliness. When light met darkness. When heaven met hell. A tale of obsession.

When Lou Winter picks up a dog-eared magazine in the dentist's waiting room and spots an article about clearing clutter, she little realises how it will change her life. What begins as an earnest spring clean soon spirals out of control. Lou's loved ones grow disgruntled. The truth is, the more rubbish Lou lets go of, the more light and air can get to those painful, closed-up places at the centre of her heart. Even lovely Tom Broom, the man who delivers Lou's skips, starts to grow concerned about his sweetest customer. But Lou is a woman on a mission, and not even she knows where it will end . . . Chiura Obata's Topaz Moon Dec 18 2022 Chiura Obata was one of more than 100,000 Japanese Americans forcefully relocated from their homes, work, and communities to the stark barracks of desert internment camps during World War II. As an artist faithfully recording the world around him, Obata's work from this period gives us a view into the camps that is at once honest and strikingly lyrical. Topaz Moon brings together more than 100 paintings and sketches from Obata's internment period, from the stables at Tanforan, California, to the barracks in Topaz, Utah. Edited by his granddaughter Kimi Kodani Hill, these images are accompanied by a text that draws heavily upon the letters of Obata and his wife, Haruko, family documents, and interviews with family and friends.
